GORDON COLLEGE
COLLEGE OF COMPUTER STUDIES

3. Support:

- Assist the student in identifying resources, literature, or contacts that may be helpful for the project.
- Encourage the student's professional development through mentoring.
- Direct the research design, data gathering, literature search, and writing of the report.
- Responsible for guiding the proponents in writing the ACM (Association for Computing Machinery) journal format of his/her advisees' project.

4. Monitoring Progress:

- Periodically review the progress of the project and provide necessary guidance to keep it on track.
- Responsible for recommending the proponents for pre-orals and final defense. "No recommendation means No defense schedule"

5. Ethics and Standards:

- Uphold ethical standards in advising and research practices.

6. Respect:

- Treat the student with respect, valuing their contributions and ideas.

C. Term

This contract will commence on 12/13/2025 [start date] and continue until the completion of the project or until either party provides written notice of termination.

Note: Selected Project Adviser (IT/CS Industry Practitioner) who have rendered their services to the student-researcher are to receive certain fees/honoraria for their services.

A PROJECT Adviser is given an honorary fee by the student advisee for his/her service rendered for the entire duration of the research project, which is equivalent to one (1) academic year.

D. Acknowledgment

By signing below, both parties acknowledge their understanding and commitment to the duties and responsibilities outlined in this contract.

Student Signature: _____ Date: 12/13/2025

Project Adviser Signature: _____ Date: 12/13/2025

Note: This contract is intended for collaborative work and mutual respect. Both parties are encouraged to refer back to this contract throughout the duration of the project for guidance.
